## Does your business need a lift...?

We are a leading independent Komatsu and STILL forklift truck distributor based in the West Midlands.

We sell new and refurbished forklift trucks and provide contract hire, short term rental and preventative maintenance service solutions to our clients in the local business community.

Our sales and service recommendations are formulated with the benefit of over forty years experience in the materials handling sector.

Our fully trained and experienced technical engineers approach forklift truck servicing from a proactive, preventative maintenance perspective in order to help you reduce the operational cost base of the equipment.

We are a full member of the FLTA (Forklift Truck Association), and CFTS (Consolidated Fork Truck Services).

If we can provide you with any further information about our services, please do not hesitate to contact our team.

## Why should you have your truck Thoroughly Examined?

You have to by **Law!**

### **Health and Safety at Work Act 1974**

*"It shall be the duty of every employer to ensure as far as is reasonably practical, the health, safety and welfare at work of all his/her employees".*

If you own or operate a forklift truck, you are required by law to ensure that it holds a report of Thorough Examination. This applies even to trucks on hire.

## What is involved in a Thorough Examination?

Complete and thorough inspection of your forklift truck at least every 12 months examining\*

### **LOLER Regulations 98**

Chains, forks, mast, carriage & tilt system

### **PUWER Regulations 98**

Brakes, steering, seat belts, overhead guard & tyres

\* Variable depending on conditions of use and attachments
